The Varsity Boys Basketball team concluded a successful season by winning the Eastern Shore District and Tournament Championships for the second year in a row. The Ponies finished with a 7-2 regular season district record and 14-5 overall.

Terry Anderson led the Ponies in scoring and in rebounding. Linwood Christopher and Eric Townsend were key contributors to the team offense and aggressive man to man defense. Terry and Eric earned All-District honors, and Terry was also selected for first team honors in All-Region A balloting.

The Lady Ponies Basketball Team concluded their 1985-86 season by winning the Eastern Shore District and Tournament Championships, with a 13-0 regular season record. They were upset at the Regional Tournament by Essex High by a score of 43-40, leaving them with an overall season record of 13-1.

Dedication, experience, unselfishness, and an aggressive defense were the key factors in bringing about this successful season. Top scorers were Kammie Olsen and Martha Cropper, with Kim Lankford giving countless assists as point guard. Kammie and Kim earned All-District honors, with Martha earning honorable mention status. In addition, Kammie won first place All-Region A honors—a most noteworthy and prestigious accomplishment.

The Girls Varsity Softball team had one of its best seasons, winning the Eastern Shore District title with an 8-1 record. The team worked very hard on fundamentals, forcing other teams to make mistakes by playing very aggressively. The team was led by many outstanding players, such as Melissa Jester, batting .588 with 39 stolen bases, 10 extra base hits and driving in 34 runs.

Denise Bowden completed an 8-2 pitching record, with a .489 batting average. Kim Doyle, in her first year behind the plate, allowed only one passed ball the entire season, while putting out 8 players at the plate. Congratulations go to the entire team for a splendid year.

1986 was a landmark year for the Lady Pony Volleyball Team, a new team that won the District Tournament and the Region A Tournament games against more experienced teams. The group of 15 first time volleyball players were organized by Coach Suzanne Rice into a very skillful team who demonstrated true team spirit throughout the season.

While the team did not win their games in the State Tournament, it still had been quite an impressive year. Congratulations go to both coach and team for successfully bringing a new spirit and sport to CHS.

The floor leader and ball handler was Leslie Reed, while Jewel Davis was top rebounder for the season. The girls worked very well and finished with a 5-4 winning record.

Band Director Teresa Fowler took over the CHS Marching Pride during the first semester to lead them on to another outstanding year, both in concert and on the field. Nine senior band members participated in the 1986 All-Shore Band, and nine middle school members participated in the Junior All-Shore Band. The Marching Pride continued to take trophies wherever they appeared, ending their season on May 10th by taking first place at Ocean City's White Marlin Parade.

CHS takes great pride in their own Marching Pride.

MIDDLE SCHOOL ANNEX

The 1985-85 school year saw major changes at Chincoteague High—in the building as well as the student body. During the summer of 1985, the earlier decision to incorporate the sixth grade with the existing junior high grades was put into effect by the addition of a wing made of 7 class rooms and an office and a storage room. This has meant that a middle school section has been created, although in many areas, it is still a part of the high school—middle school students share many high school teachers, use the same cafeteria, library, art room, industrial arts room, band room, many high school classrooms, and the high school guidance counselor's service. Dr. P. V. is the administrative head of the Annex and is responsible for the teachers and students of the middle school grades.

1986 FORENSIC WINNERS

The 1986 Forensics Team for CHS had a very successful year, with winners on District, Region and State levels. At the Region A Tournament, Shannon Brown and Jennifer Mason came away with first place medals in their areas of competition—Shannon for her reading of Sylvia Plath's "Daddy" for the Poetry Category, and Jennifer for her selection for the Humorous Dramatic Interpretation Category. On the State level in Charlottesville, Shannon again took first place in her category. Since the Forensics Team was made up of many underclassmen, CHS can look forward to another winning year in 1987.

THEATER FESTIVAL WINNERS

The CHS Drama Class, under the direction of Larry Lovelady, continues to present outstanding productions. During the 1985-86 season, "The Glass Menagerie" was performed on the CHS stage, starring Shannon Brown, Julie Raw, David Chiesa, and Jay Jeffries. For their entry in the District Theater Festival, their presentation of Edward Albee's "The Sandbox" received first place awards with Shannon Brown, Anissa Flanigan, Julie Raw, David Chiesa, and Michael Florant. This cast went on to the Region Festival to take second place. With Jennifer Mason taking over from Julie Raw as the Musician, the play also took the second place trophy at the State Theater Festival tournament.

ROADSIDE THEATER

From October 7 through October 18, a number of CHS students took part in a program sponsored by the Virginia Commission for Arts and Alternate Roots. Organized by local artist, Nancy West, this program brought the Roadside Theater to the school for a two-week residency workshop. The three actors involved, Angela DeBord, Ron Short and Dudley Cocke, conducted the workshop to create an awareness of Chincoteague's local history through its stories, its legends and the memories of its people.
